

#FCPSEARTHWEEK
EARTH WEEK BINGO
 APRIL 18-22, 2022

Monday, April 18 <h1 style="text-align: center;">E</h1> Watershed Day	Tuesday, April 19 <h1 style="text-align: center;">A</h1> Zero Waste Day	Wednesday, April 20 <h1 style="text-align: center;">R</h1> Climate Change Day	Thursday, April 21 <h1 style="text-align: center;">T</h1> Energy Day	Friday, April 22 <h1 style="text-align: center;">H</h1> Earth Day
What is a watershed? What watershed do you live in? Check Fairfax County's Watershed map to find out!	Do a School Litter Cleanup Day. Request materials for your cleanup from Clean Fairfax.	Watch: Climate Change Basics to learn about climate change and what actions you can take	Watch: Discover where your energy comes from in the Science Museum of Virginia's energy video	Take a book outside and read (Read Across America has some great Earth Day book recommendations)
Watch this TedEd video about how plastic bottles are made and what happens to them after we use them	Can you pack a zero waste lunch? Don't forget a reusable water bottle to stay hydrated during the day	Read a habitat or animal themed book as a class and discuss human impacts on habitat and wildlife	Take the bus, carpool, or walk/bike to school.	Write an Earth Day poem
Organize a Storm Drain Labeling Project When it rains, the water runs along the street into storm drains and goes directly into a local stream.	What four types of items can be recycled in FCPS? Visit Get2Green's recycling page to learn more.	 Reflect: How does being an Ethical and Global Citizen connect to Earth Week?	Check out Get2Green's energy dashboard . How much energy does your school use?	Go outside and conduct an A-Z Scavenger Hunt or Color Scavenger Hunt
Watch: What is a Freshwater Ecologist? How many fish species are there in Fairfax County?	Create upcycled art, clothing, or accessories	Watch: Why is biodiversity so important? TED Talk	We wouldn't be here without the sun! Use natural sunlight to journal, read, write, or draw.	Plant seeds or small plants in a pot or garden
Complete an activity in the Chesapeake Bay Junior Ranger guide.	Watch: Take a virtual tour of recycling and waste-to-energy facilities .	Use this Destiny Get2Green eBook collection to read about topics related to Climate Change	Make energy saving reminders (unplug, turn off lights, etc.) and post them around your school	Go outside and use sidewalk chalk to share Earth Day art or inspirational words around your school
